¿Qué es *Smiles For Children*?

Smiles For Children es el programa odontológico de Virginia para niños que tienen Medicaid, FAMIS o FAMIS Plus. Todos los servicios odontológicos para su hijo se prestarán a través del programa ***Smiles For Children***. Su hijo recibirá los mismos beneficios odontológicos que recibía antes, con un acceso más fácil a la atención odontológica que necesita. ***Smiles For Children*** también incluye cobertura odontológica limitada para adultos.

Los servicios de atención odontológica para su hijo en el programa Smiles For Children son gratuitos. ***Smiles For Children*** es un programa proporcionado por el Departamento de Servicios de Asistencia Médica (DMAS) del Estado de Virginia y administrado por DentaQuest.

Mientras su hijo sea elegible para el plan odontológico ***Smiles For Children***, usted recibirá ocasionalmente boletines y otros tipos de información. Léalos detenidamente y llámenos si hay algo que no entiende. A menudo, se incluirán datos importantes que lo ayudarán a cuidar la salud dental de su hijo. Busque el logotipo ***Smiles For Children*** en su correspondencia.

Inscripción

Una vez que se haya determinado que su hijo es elegible para Medicaid, FAMIS o FAMIS Plus, se lo inscribirá automáticamente en el programa odontológico ***Smiles For Children***. No es necesario que usted haga nada en especial para inscribirlo en el programa.

No hay ninguna tarjeta odontológica especial para ***Smiles For Children***. Usted puede usar la tarjeta plástica de identificación del Estado de Virginia o la tarjeta de identificación de afiliado de una Organización de Atención Administrada (MCO) (AMERIGROUP Health Plan, Anthem HealthKeepers Plus, CareNet Southern Health Services, Optima Family Care o Virginia Premier Health Plan) para toda la atención odontológica de su hijo. ***Smiles For Children*** **sólo pagará los servicios mientras su hijo sea elegible para el programa.**

RECUERDE: ES MUY IMPORTANTE informar de inmediato al Departamento de Servicios Sociales de su localidad si se muda, si cambia su dirección postal o si hay algún cambio que afecte la elegibilidad de su hijo. Si el Departamento no tiene la dirección correcta, entonces usted no recibirá información actualizada sobre su cobertura y se cancelará la elegibilidad de su hijo. Si se muda o si cambia de dirección postal en algún momento, comuníquese de inmediato con el Departamento de Servicios Sociales de su localidad o con la Unidad Central de Procesamiento (CPU) de FAMIS para proteger a su hijo y seguir recibiendo cobertura.

Si finaliza la inscripción de su hijo en Medicaid, FAMIS o FAMIS Plus, usted recibirá una carta en la que se le informará que su hijo ya no está cubierto por el plan odontológico ***Smiles For Children***. La fecha que figura en la carta será el último día de cobertura de su hijo en ***Smiles For Children***. El programa no pagará ningún servicio odontológico que su hijo reciba después de la fecha de finalización que figura en la carta. Usted deberá pagar por todos los servicios recibidos después de dicha fecha.

Servicios cubiertos por *Smiles For Children*

Los servicios de atención odontológica cubiertos para su hijo en el programa *Smiles For Children* son gratuitos.

Servicios para niños

Los afiliados a ***Smiles For Children*** tienen cobertura para todos los servicios odontológicos médicamente necesarios y para los procedimientos de ortodoncia (aparatos) brindados por un dentista participante. Los servicios odontológicos incluyen el alivio del dolor y la infección, la restauración de dientes y el mantenimiento de la salud dental. El examen físico que un médico le realice a su hijo puede incluir una exploración bucal, pero no reemplaza el examen del dentista. Medicaid recomienda que el médico de su hijo lo derive a un dentista a partir de los tres años o antes si es necesario.

Los exámenes de rutina son visitas al dentista para realizarse un "control" odontológico. El dentista examinará la boca de su hijo para ver si se requieren servicios odontológicos y controlará que los dientes, las encías y los huesos que sostienen los dientes de su hijo estén sanos. A veces, junto con el control, el dentista limpiará los dientes de su hijo y tomará radiografías si es necesario. Los controles odontológicos son una parte importante de la salud general de su hijo y se deben realizar cada seis meses.

Algunos de los demás servicios disponibles para su hijo incluyen los siguientes:

- ✔ Coronas (algunas fundas)
- ✔ Flúor (cada 6 meses).
- ✔ Aparatos de ortodoncia (si reúne los requisitos)
- ✔ Selladores
- ✔ Tratamientos de conducto radicular
- ✔ Limpiezas (cada 6 meses)
- ✔ Extracciones (sacar dientes)
- ✔ Espaciadores
- ✔ Anestesia Radiografías.
- ✔ Atención de enfermedades bucales
- ✔ Empastes

Antes de atender a su hijo, el dentista le dirá si ***Smiles For Children*** pagará un servicio o no. Los dentistas participantes no pueden cobrarle servicios cubiertos por el programa, siempre y cuando su hijo siga siendo elegible.

Si recibe servicios de proveedores odontológicos que no están inscritos en ***Smiles For Children***, usted deberá pagar la factura. Trate de centralizar la mayor parte de la atención odontológica en un solo dentista y siga con dicho profesional, a menos que su hijo sea derivado a un especialista.

Adultos (afiliados mayores de 21 años)

Smiles For Children no paga los servicios odontológicos para afiliados mayores de 21 años, **excepto** ciertos servicios de cirugía bucal médicamente necesarios cuando sean prestados por un dentista participante. Algunos ejemplos de los servicios médicamente necesarios para adultos que sí están cubiertos incluyen los siguientes:

- La cirugía bucal está cubierta para procedimientos quirúrgicos o de atención en hospitales, no odontológicos, para corregir defectos de nacimiento (como labio leporino y paladar hendido).
- Remoción de quistes y tumores no relacionados con los dientes.
- Biopsias por sospecha de presencia de tumores malignos.
- Reparación de heridas traumáticas.
- Extracción de dientes por abscesos graves que complican una afección o contribuyen a una salud general deficiente.

Los elementos y servicios relacionados con la atención, el tratamiento, el empaste, la extracción y el reemplazo de dientes o las estructuras que sostienen directamente los dientes no están cubiertos, excepto la extracción de dientes antes de la terapia de radiación.

La mayoría de los servicios odontológicos para afiliados mayores de 21 años se deben autorizar antes de recibir el servicio o antes de permitir el pago. Usted debe obtener una carta de su médico antes de concurrir al dentista. Dicha carta debe informar al dentista por qué el tratamiento odontológico es médicamente necesario.

Si necesita servicios odontológicos debido a alguno de estos problemas, comuníquese con el programa ***Smiles For Children*** al 1-888-912-3456. Podemos ayudarlo a encontrar un dentista que le realice un examen y tome radiografías. El dentista le informará qué medidas debe tomar para solucionar el problema y recibir la atención que necesita.

Otros servicios

Los servicios médicos seguirán siendo proporcionados por Medicaid/FAMIS o por su MCO. Busque en su tarjeta de identificación médica el número de teléfono al cual debe llamar en caso de que necesite asistencia.

Si no tiene un medio de transporte para llevar a su hijo a la cita con el dentista, puede conseguir un servicio de transporte. Si no está afiliado a una MCO y no tiene un automóvil o un familiar que lo pueda llevar a la cita con el dentista, llame en forma gratuita a LogistiCare al 1-866-386-8331 para obtener ayuda. Para obtener el servicio de transporte, usted debe llamar por lo menos 48 horas antes de la cita. Si se trata de una urgencia a causa de dolor o lesión odontológica, se intentará por todos los medios conseguir transporte lo antes posible.

Si usted está afiliado a una MCO, comuníquese con la MCO directamente para averiguar sobre los servicios de transporte. El número de teléfono de la MCO figura al dorso de su tarjeta de identificación médica.

Cómo encontrar un dentista

Smiles For Children tiene una lista de dentistas que pueden atender a su hijo. Usted debe consultar solamente a los proveedores inscritos en el programa ***Smiles For Children***. Los nombres de todos los dentistas y especialistas odontológicos del programa ***Smiles For Children*** están disponibles en el Directorio de proveedores de ***Smiles For Children***, que se actualiza regularmente. Una versión actualizada del directorio se encuentra en nuestros sitios web en www.DentaQuestgov.com o www.dmas.virginia.gov. También podemos proporcionarle una versión actualizada del directorio a pedido, así como ayuda con cualquier pregunta relacionada con el directorio a través del número telefónico gratuito.

Si desea obtener información adicional sobre cuáles dentistas o especialistas odontológicos puede consultar, comuníquese con el programa ***Smiles For Children*** al 1-888-912-3456. Podemos ayudarlo a encontrar el dentista participante del programa más cercano a su domicilio. También podemos ayudarlo a solicitar una cita con ese dentista.

Cuando llame al programa ***Smiles For Children***, debe tener estos elementos listos:

- Bolígrafo o lápiz
- Su dirección con código postal incluido
- La tarjeta plástica de identificación blanca y azul del Estado de Virginia de su hijo o
- La tarjeta de identificación de afiliado a la MCO de su hijo

Debe mencionar que su hijo es afiliado a ***Smiles For Children***. Recibirá los nombres de varios dentistas en su zona de residencia. Los niños menores de 21 años no necesitan una derivación del médico de atención primaria (PCP) para ir al dentista. Pero sí debe tener una derivación oral o escrita de su dentista de cabecera para concurrir a un especialista odontológico.

Cómo solicitar citas con el dentista

Cuando llame al dentista para solicitar una cita, debe tener estos elementos listos:

- Bolígrafo o lápiz
- La tarjeta plástica de identificación blanca o azul del Estado de Virginia de su hijo o
- La tarjeta de identificación de afiliado a la MCO de su hijo
- Un almanaque

Mencione que su hijo es afiliado a ***Smiles For Children*** y que desea pedir una cita con el dentista. Vea qué fechas y horarios son mejores para usted. Escriba la fecha y la hora de la cita de su hijo en el almanaque.

Cuando llegue la fecha de la cita de su hijo, simplemente concurra al consultorio del dentista. Así de simple. Si antes veía a otro dentista, pídale a este profesional que le envíe los registros odontológicos de su hijo al nuevo dentista.

Es muy importante que se asegure de asistir a las citas programadas. Si no puede cumplir con la cita para su hijo, llame al consultorio del dentista apenas sea posible para avisar que no concurrirá. En ese momento, el dentista puede reprogramar otra cita para asegurarse de que usted o su hijo reciban la atención odontológica adecuada.

Recuerde llamar a su dentista si no puede asistir a la cita. Los dentistas pueden negarse a continuar atendiendo a sus hijos o a usted si falta a las citas.

Lleve la tarjeta de identificación blanca y azul de su hijo o su tarjeta de identificación de MCO **cada vez que vaya al dentista** para que este pueda verificar que su hijo sigue siendo elegible para el programa. Si no tiene las tarjetas, se le pueden cobrar los servicios.

Es su responsabilidad mostrar la tarjeta de identificación de su hijo a los proveedores cuando solicite los servicios y asegurarse de que el proveedor acepte el pago de *Smiles For Children*. Informe de inmediato la pérdida o el robo de su tarjeta de identificación de Medicaid al Departamento de Servicios Sociales local, a la CPU de FAMIS, o a su Organización de Atención Administrada (MCO) si pierde la tarjeta de dicha organización.

Qué hacer en caso de emergencia

Su hijo también puede atenderse con un dentista de ***Smiles For Children*** ante una emergencia. Pregúntele a su dentista cómo comunicarse en esos casos. El dentista quizá tenga un número de teléfono diferente para llamarlo en caso de emergencia.

Si usted no está en su casa durante la emergencia, puede comunicarse con DentaQuest para que lo ayuden a encontrar un dentista participante cerca de donde esté. Si no puede llamar a DentaQuest, lleve a su hijo al hospital si es necesario. Recuerde mostrar la tarjeta de identificación de afiliado de su hijo.

Consejos odontológicos útiles

✔ Ponga en práctica buenos hábitos de salud dental. Cepíllese dos veces por día y use el hilo dental una vez por día.

✔ Lleve a su hijo al dentista para un control cada seis meses.

✔ La buena atención odontológica comienza antes de que su hijo cumpla un año y continúa durante toda su vida.

✔ Nunca permita que su hijo se duerma con un biberón de leche, leche de fórmula, jugo de frutas o bebidas dulces.

✔ Cumpla con las citas con el dentista.

✔ Limite los dulces y las gaseosas.

✔ La buena salud dental es muy importante para las mujeres embarazadas y para los fetos también. Existe una relación entre la salud de las encías de la madre y la salud en general del feto.

Directorio de proveedores
Smiles For Children

Cómo utilizar el directorio de proveedores

Este directorio brinda información sobre los proveedores de atención odontológica que son miembros de la red de participantes en el programa Smiles For Children. Este directorio enumera los proveedores por condado, e incluye los nombres de todos los dentistas y especialistas odontológicos de dicho programa. Usted debe consultar solamente a los proveedores inscritos en el programa Smiles For Children. Si conoce algún dentista a quien tal vez le interese participar en el programa odontológico Smiles For Children, solicítele que se comunique con DentaQuest al 1-800-341-8478.

Cuando encuentre un dentista, revise la información pertinente para conocer los detalles sobre cualquier restricción que el proveedor o la clínica imponga sobre sus servicios, como por ejemplo el tipo de miembros a los que atenderá (niños solamente), la especialidad (cirugía bucal, ortodoncia, odontología pediátrica, endodoncia y periodoncia) o el horario de atención de la clínica. Asegúrese de llamar al consultorio del dentista para verificar si acepta nuevos pacientes. Si usted aún no es paciente del dentista, hágale saber que desea serlo. Una vez que programe una cita, es importante que cumpla con ella.

Hemos hecho todo lo posible para garantizar la exactitud de este directorio; sin embargo, en ocasiones se producen cambios. Si necesita ayuda para encontrar un dentista o desea obtener el directorio de proveedores más actualizado, llame a Servicios para Afiliados de Smiles For Children al 1-888-912-3456. También puede visitar nuestros sitios en Internet www.DentaQuestgov.com o www.dmas.virginia.gov para que lo ayudemos a encontrar un dentista.
