The Medicaid Addiction and Recovery Treatment Services (ARTS) Benefit: A Response to the Opioid Epidemic

Changes to DMAS's Substance Use Disorder (SUD) Services for Medicaid and FAMIS Members

- 1 Expand short-term SUD inpatient detox to all Medicaid /FAMIS members
- 2 Expand short-term SUD residential treatment to all Medicaid members
- 3 Increase rates for existing Medicaid/FAMIS SUD treatment services
- 4 Add Peer Support services for individuals with SUD and/or mental health conditions
- 5 Require SUD Care Coordinators at DMAS contracted Managed Care Plans
- 6 Provide Provider Education, Training, and Recruitment Activities

Implementation Timeline

Phase 1:
January
2017

- Network development and extensive training begins

Phase 2:
April 2017

- Statewide Implementation

Phase 3:
July, 2017

- Peer Support Services Implementation

Supporting the SUD benefit means keeping Virginia families together (#2 cause for VA children entering foster care) and helps adults return to work and contribute to their communities.
