

## **Delivery System Reform Incentive Payment (DSRIP) Stakeholder Focus Group Meetings**

The Department of Medical Assistance Services (DMAS) posted a Delivery System Reform Incentive Payment (DSRIP) concept paper and presentations describing the intentions of the Department to pursue a §1115 innovation waiver for accelerating delivery system transformation in Virginia's Medicaid program. DMAS is inviting interested stakeholders to engage in dialogue and constructive brainstorming to inform the waiver application. DMAS values the work of our stakeholders and appreciates the partnership with the Department. Active participation from our stakeholders in these focus groups will enhance the waiver application and DMAS looks forward to working together in the months ahead. While you may have interest in this topic, please note that these are intended to be productive, working meetings. If you plan to attend and participate, we request you read the concept paper and view the presentations in advance.

### **Focus Group Meeting Details**

#### **#1: Expanding Community Capacity – How to address gaps in the availability of behavioral health and home and community based services (HCBS) for Medicaid members.**

- Date** October 7, 2015  
**Time** 10:00am – 4:00pm  
*(There will be a break for lunch (on your own) from 12:30-2:00)*  
**Location** 3831 Westerre Parkway, Henrico, VA 23233
- Agenda**
1. Inventory gathering of partnerships and models that improve the availability of or strengthen behavioral health and HCBS for Medicaid enrollees. These can be models that are currently being used, explored, or created in Virginia; or models from other states that may show promise for the Commonwealth.
  2. Discussion of gaps in the system and factors that complicate the delivery of or access to Medicaid-funded behavioral health and HCBS within the Commonwealth

Please register for the meeting by clicking [here](#).

The outcome of this meeting will allow DMAS to have a more informed understanding of the current community and provider led efforts to address behavioral health and

HCBS capacity throughout the Commonwealth. Additionally, it will help DMAS understand the identified gaps in care and educational/resource needs for community providers. This process will equip DMAS staff to more fully explore and refine the proposed models to include in a formal waiver submission to the Centers for Medicare and Medicaid Services (CMS).

*NOTE: This meeting is not a forum focused on the redesign of the intellectual and developmental disability waivers.*

## **#2: Virginia Integration Partners (VIPs) – What are the different models that could work with Virginia’s Medicaid Program?**

**Date** October 22, 2015

**Time** 10:00am – 4:00pm

*(There will be a break for lunch (on your own) from 12:30-2:00)*

**Location** 3831 Westerre Parkway, Henrico, VA 23233

- Agenda**
1. Round robin by attendees of partnerships and models currently being explored or created in Virginia, addressing the bi-directional integration of care
  2. Discussion of strengths and limitations of current models, potential other alternatives, and success factors for consideration in encouraging participation in VIPs

Please register for the meeting by clicking [here](#).

The outcome of this meeting will be a more informed understanding of the community led efforts to address integrated care issues throughout the Commonwealth. Additionally, it will equip DMAS staff to more fully explore and refine the elements needed to encourage participation in the VIPs. This will be one of several meetings as this process moves forward.

**#3: Data Integration and Infrastructure – Begin to identify the project scope for a data platform that enables data integration to support Medicaid efforts to coordinate care among providers and payers.**

**Date** November 6, 2015 (DATE CHANGE)

**Time** 10:00am – 4:00pm

*(There will be a break for lunch (on your own) from 12:30-2:00)*

**Location** Perimeter Center (LOCATION CHANGE)

9960 Mayland Drive, Suite 201, Board Room 1

Henrico, VA 23233

- Agenda**
1. Overview of current data integration efforts underway
  2. Round Robin Sharing: What other efforts are underway for health data integration?
  3. Discussion: What are the gaps in the Data Infrastructure to support the DSRIP concepts?

Please register for the meeting by clicking [here](#).

The outcome of this meeting will be a more informed understanding of the health data integration efforts to support integrated care throughout the Commonwealth.
